1812 THEATRE BAKERY GALLERY

Many thanks to those members who have already submitted prints. We still need more prints for the exhibition. The prints will be displayed in frames measuring 40X50 cm the size of the print is not important so long as it fits within the frame. Many members will have frames over from last year which can be reused, however as we be able to show twice the number prints, extra frames will be bought for resale to members. The frames previously cost between \$6 and \$7. If you have not already done so please bring to the next meeting for selection. The Exhibition will take place during the theatre's first season, late February/March. The committee would like to have the prints mounted and ready to be hung by the end of November. This is a great opportunity to have your photos viewed by a wider community.

LILYDALE SHOW

Part of the Lilydale Show is an exhibition of photography by local photographers including some from our club. Take your camera along as the wood chopping, equestrian and other events provide photo opportunities. The show will be held on Saturday 21st and Sunday 22nd November.

MICHAELS CAMERA HOUSE

If you are in the city any time Michaels Camera House on the corner of Elizabeth and Lonsdale Streets is worth a visit. Upstairs there is a large display of vintage and not so old cameras including some early digital cameras. Still upstairs there is a greater range of photography books than found in general bookshops, covering the full range of techniques and individual photographers work.

MONASH GALLERY OF ART

William and Winfred Bowness Photographic Prize 2009 from 6th November to 13th December. The gallery is not open on Monday and public holidays. A café and library are attached.
