1812 THEATRE BAKERY GALLERY

Many thanks to those members who have already submitted prints. We still need more prints for the exhibition. The prints will be displayed in frames measuring 40X50 cm the size of the print is not important so long as it fits within the frame. Many members will have frames over from last year which can be reused, however as we be able to show twice the number prints, extra frames will be bought for resale to members. The frames previously cost between \$6 and \$7. If you have not already done so please bring to the next meeting for selection. The Exhibition will take place during the theatre's first season, late February/March.. This is a great opportunity to have your photos viewed by a wider community.

Please put aside higher scoring photos or images you believe may do well in a state competition. There are categories for small prints, large prints, digital images and audio visuals.
