This is an opportunity to see the largest photo exhibition in the Southern Hemisphere. Most of the well known photo suppliers will be there plus many less well known. For more information visit www.pmaaustralia.com.au

The last exhibition of this kind held in Melbourne 2007, Brisbane 2008 and Sydney in 2009.

EXCURSION AUDIO VISUALS

The committee feels it would be a good idea to make some audio visuals of some of our outings, starting with the April American Motor Show, could those members who attended supply a CD to Graeme Hollis with their images.

After a review of our finances the committee has increased our annual subscriptions by \$5 to \$45 for a full member. Other subs are junior member \$12, student \$20, social member \$25
