SUBSCRIPTIONS

After a review of our finances the committee has increased our annual subscriptions by \$5 to \$45 for a full member. Other subs are junior member \$12, student \$20, social member \$25

PAST WORKSHOP

Paul Robinson presented his portrait workshop by screening about fifty portrait slides and asking us to critique the slides. Lively discussion followed with everyone joining in the commentary with Paul explaining how he set up the shots. One trick or technique that came up frequently was to throw some light onto the model's face; this could be achieved simply by positioning the hand to throw some light onto the face, or use a newspaper, sheet of white paper or piece of foil.

Paul finished by saying most of the images shown had been accepted in National Exhibitions.

KNOX BLACK WHITE INTERCLUB

We have again been invited to take part in their annual monochrome interclub. Our entries will be selected from entries in our May Task.

The interclub will be held on Wednesday 28th July, Boronia West Primary School Tormore Road Boronia.

MONTESALVAT OUTING

You will find plenty to photograph at this artist colony with its European village buildings dating from the 1930's. Artist still work and live there and is a popular venue for weddings. A pleasant café is located within the grounds. Sunday 20th June see our web site for details www.mpsociety.org.au
